Respected Sir

The undersigned begs to bring
following few lines into your kind notice

He joined the College in June 1890 and passed
1st & 2nd Professional Examinations taking the 2nd
Place respectively in the 2nd Class. The Stipend
which he has been receiving from the Muz
is hardly sufficient to cover his School fees
boarding and lodging expenses which are
costly in a town like Bombay and as such
no money left to purchase the Textbooks and
reference prescribed by the college authorities.
Students that have been sent by other States
have been supplied with books and Instruments
" I am not as yet received any such help from
the State. As this is his final year for qualification
he has to buy all the books and such like
are well known to you he begs that you would
recommend him strongly to the Muzsar Sir
for the purchase of the book ^{and Instruments} mentioned in
appended list.

He has the honor to be

Respectfully

Yours most obedt Servt.
